# Hurricane Relief for Asheville

*Many waters cannot quench love, neither can floods drown it. Song of Solomon 8:7*

- The church has located several drivers who will be taking much needed items to the folks in Asheville NC following the hurricane devastation there. We have several members of our congregation retired there. For now we are collecting shoes, boots, socks, slightly used clothing and toiletries. Like items should be put in plastic bags. Toiletries can be bagged together. The volunteers there are getting black trash bags full of misc. items and sorting these is taking valuable time. Boxes will be on the stage in Fellowship Hall for your donations. Check donations should be placed with the collections on Sundays or given to the office. Check memo should include Asheville Hurricane Relief.
- Another way to help is to Google MANNAFoodBank Asheville. Hurricane Helene Relief will come up. From there you can donate with a credit card or mail a check to their address which is now being diverted to a PO box. Their buildings are now unsafe to enter so all supplies and computers and forklifts are lost.
- Jane Stoffer's church in Asheville is a "Hub for Resource Sharing", staffed by volunteers from the church. They are open every day to pass out products to those in need. Donations may be sent to the Grace Covenant Presbyterian Church. Go to [gcpcusa.org](http://gcpcusa.org) to contribute. All donations are used directly for those in need.
- **Presbyterian Disaster Assistance – Out of Chaos, Hope**  
The Presbyterian Church (U.S.A.), through the work of Presbyterian Disaster Assistance, is on the ground responding to the many urgent needs following the destruction Hurricane Helene left in its path. In these difficult times, we are called to respond through generosity, action and prayer – continually standing in the "gap" to uplift our neighbors and offer hope in their journey toward recovery. Make checks payable to the church and mark 'Hurricane Helene' on the memo line. Please continue to pray for survivors, those who have experienced loss of loved ones, and responders.
